

The pressure of downstream is preset, cannot be changed and saves the procedures for adjusting/setting pressure

## Preset pressure regulator

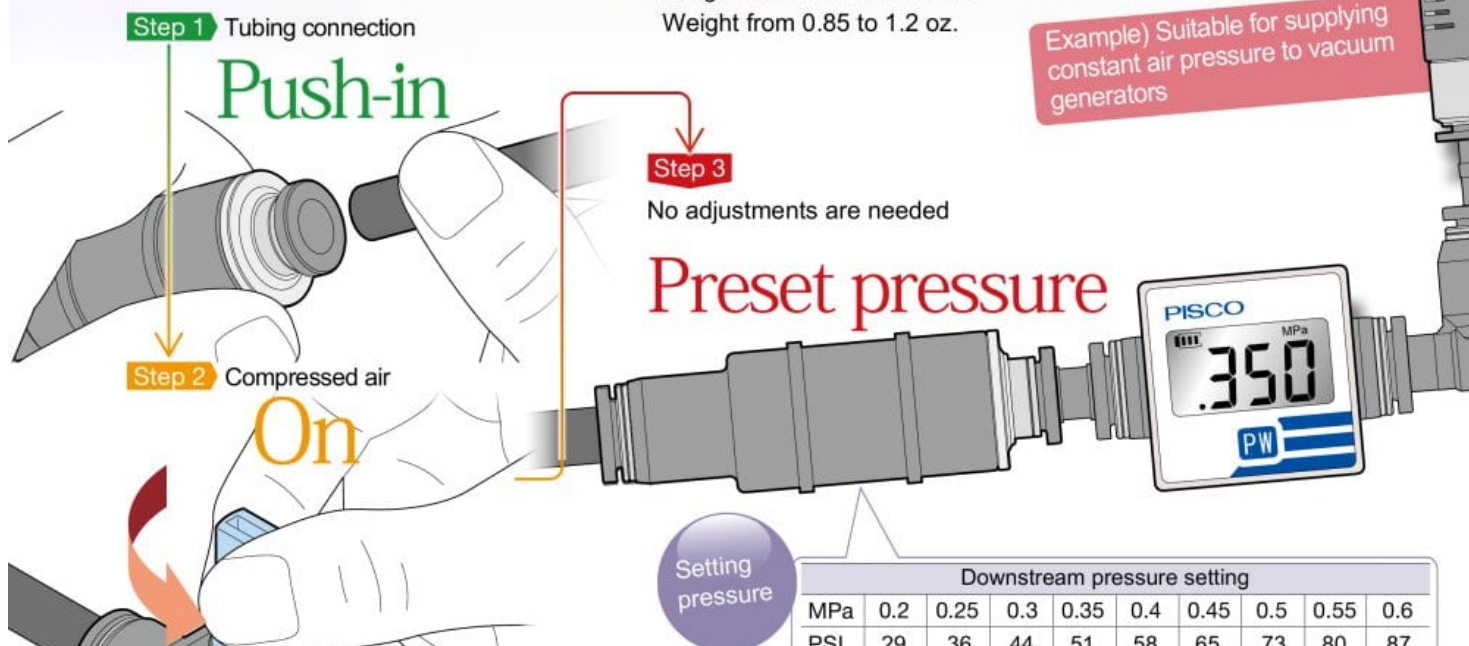

**NEW!**  
**Tamper proof**

**Compact and Light-weighted / 2.5in. 1oz.**

Length from 2.34 to 3 inches  
Weight from 0.85 to 1.2 oz.

Example) Suitable for supplying constant air pressure to vacuum generators

Setting pressure

	Downstream pressure setting									
MPa	0.2	0.25	0.3	0.35	0.4	0.45	0.5	0.55	0.6	
PSI	29	36	44	51	58	65	73	80	87
